

EPWT Week

"Flair for Teachers"

Collection

We are working on a wonderful event for our EPWT Week! With "Flair for Teachers", we will provide area K-6 Teachers, art and music instructors, media center staff and others with supplies that are needed in the classroom, but are not included in traditional supply lists. Having these supplies on hand throughout the year helps Teachers handle emergencies without having to purchase the items themselves.

These items were suggested by Teachers:

boys/girls socks, underwear, and t-shirts

girls/boys pants

gloves

shoelaces

hair clips

snacks

clear contact paper

pencils

crayons

construction paper

hand sanitizer

wipes

Kleenex

paper towels

Donations will be accepted at each event during [Eden Prairie Women of Today week](#). We will thank our contributors for their help by drawing names for gift baskets filled with fun products. We look forward to helping our community's Teachers by providing things they need all through the year!
